Calendars

- **Sell for:** \$10
- **Profit made per calendar:** \$6
- **Due date:** October 14, 2018
- **Other info:** There are 2 ways to check out calendars:
 - 1) Sign out 1 calendar as a sample to show people. Take orders and collect \$10 for each calendar you sell. Turn in \$10 at any time to receive a calendar for that customer. **Return 1 checked out calendar by Sept. 30 if you are not able to sell any calendars. All calendars that are out after Sept. 30 must be paid for by the seller.**
 - 2) Check out more than 1 calendar (ex. 5 calendars). No calendars can be returned. You must sell all of the calendars you check out.
 - 3) There is a limited number of calendars (75). We haven’t sold all 75 in the last few years, but if it’s getting toward the end of the sale, it’s always a good idea to email Jeremy during the week and claim/reserve any calendars you have sold.

- Please return money in labeled envelopes with amounts and how much each is for.
- You may return money or check out more items each Sunday at youth group or by stopping in at church throughout the week through Jeremy or Connie.
- If you have multiple children and choose to have them check out product individually, they MUST turn money and product in individually as well. Do not group together money or product.
- Customers must turn money in to you. Let them know that they cannot pay Jeremy. If they are buying from multiple students they cannot pay one check to Jeremy.
- No “blanket” sales through the church mailbox system.
- Fall Fundraiser’s end on Oct 14. Please turn in all orders, full payment and unsold KeyCard Books at your youth group meeting that night.
