Other Money needed? If you want to buy extra snacks throughout the week or want to buy something on a free night/day, you can bring a little extra money.

3.Commissioning Service— Sunday, July 21, the students and leaders that are going on the Nebraska mission trip will be commissioned during morning worship. Students are to sit in the front rows together and will be presented as a group. Wear your mission trip t-shirt. (encouraged attendance, not mandatory)

4. PreTrip Devotions Need to Be Started July 5. You must read all devotions, pray for the person who wrote it, and text them that you prayed for them. If you miss a day, then get caught up and text them the day you catch up. You must have texted everyone that you prayed for them before you get in the van to leave on July 22. These devotionals will be in your church mailbox or mailed to you as soon as JZ can put the packet together (hopefully by this Sunday). (Tip: put a daily reminder in your phone to do devotions at a specific time starting July 5)

5. Shareholders – One of the ways we fund our mission trips and keep the church connected to the youth program is through our shareholder's program. People from our church purchase shares for \$30 (some give as much as \$200). That money is used to subsidize the cost of the trip for all students. We usually raise about \$2,500-\$3,000 through this program. Most students will have 3-4 shareholders.

Shareholders then receive 4 things from us.

1. A Student info card for their refrigerator.
2. A phone call from a student before we leave (don't wait until the day before).
3. A postcard from the same student during the trip.
4. An invitation to the shareholder lunch after the trip.

Wait at least two weeks to call your shareholders. Connie and Jeremy haven't contacted shareholders to let them know who they are matched with yet. Jeremy will send out an email when they've been contacted.

6. Mission Emphasis Sunday- On Sunday, August 4 the youth will share about their mission trip experience in the morning worship service and there will be a short message from Jeremy. Wear your T-shirts.

7. Shareholder lunch – Sunday, August 4 directly following the mission emphasis service we will have a lunch in the basement for the shareholders, you, and your family. Each student is expected to bring a 9X13 equivalent salad and dessert. This meal is to thank your shareholder for supporting you. When the dessert is served students are to sit with their shareholder to tell them about the trip. If you can't be there on this date you won't be matched up with shareholders, and you will need to pay an extra \$100 for the mission trip.
