TODAY AT ZION

Churches are not places of model behavior. They have as many people struggling with sin, pain, and brokenness as those outside of church. Rather than being perfectly healthy communities, church is the place we can go to acknowledge, face, and deal with our brokenness. The book of James confronts the conflicts, tensions, and mess of church life head on. This week, as we conclude our study of James, we are called to respond to injustice and suffering with patient perseverance and an enduring hope in our God.
