TODAY AT ZION: This morning, we continue a sermon series entitled Upside Down Kingdom. This series draws from the gospel lectionary readings, predominantly in Luke, to help us see the counter-cultural values and ways of God's kingdom. Our text today comes from Jesus sermon to his home town of Nazareth. His vision of his ministry and the kingdom he will bring come straight from the Old Testament prophets. This vision of justice and healing challenges us to consider how our lives align with Jesus kingdom or the values of our world.
