PRAYER REQUESTS: Steve and Shawn Landstra spent this past week at Mayo Clinic. We received this update from Shawn on Thursday: We have had a busy 2 days at Mayo Clinic. The MRI of Steve's brain revealed 2-3 very small spots. We met with a radiation oncologist who feels the best way to treat is gamma knife surgical procedure. This involves targeted pinpoint radiation. They were ready to present 2 clinical trials but no clinical trials can be pursued until these spots are taken care of. Steve will be having this procedure at 5:30am on Friday. A good friend I grew up with is a radiation oncologist here and has been helping fast track all of this for Steve. It is good to have someone we know here! We have met with 5 different doctors since yesterday morning. Steve feels very comfortable here and we will be pursuing his treatments here. He has a CT scan of his lungs Thursday morning. Friday after the procedure, we meet with his primary oncologist to see if they want to do a round of chemo before doing another brain MRI in a few weeks. I know this is a lot of information...we feel the same! Prayers for every step of this process are appreciated. Barb Overweg's thyroid surgery went well and she is recovering at home. Continue to pray for those in our congregation who are dealing with ongoing health problems.

DO YOU LIKE TO BAKE? We are looking for volunteers to make (or purchase) cookies to serve at coffee time after worship. If you would be willing to provide cookies occasionally please call or text Dianne Kooiker at 616-538-3179.
